

# TRICO® Force™

TRICO®

TRICO Force™ is the most comprehensive multi-connection beam blade program in Australia. With SWIFT® Easy Connection Technology and trusted TRICO® performance, the HighGlide™ treated rubber element ensures a clear wipe and outstanding performance for the life of the wiper blade.

The high wind beam blade, with a patented VorTec™ swept-wing spoiler, slices through wind speeds in excess of 220 KPH caused by cross winds, buffeting truck winds and general traffic turbulence.

TRICO Force™ includes a robustly engineered superstructure which provides durable long life all-weather performance.

## SPECIFICATIONS

- VorTec™ aerofoil converts wind force
- HighGlide™ treated 100% natural rubber element
- SWIFT™ easy connection technology including European arm connections
- Robust durable superstructure

SUPERIOR ALL WEATHER PERFORMANCE
